I understand there is a call being scheduled at 4 pm today to discuss Dimock and Pavillion -- could you please include me on the invite and send me the call in number? Thanks!

Hi Pooja -

That sounds great. The scheduler I have doesn't have a call in number - we're all planning to meet in a conf. room. It looks like Patricia Mott scheduled the call. I can call around to others here, but it might be quicker if you contact Patricia directly. Just let me know if that doesn't work and I'll call around.

I'll plan to join -- could you please send me the call in number? Thanks.

Hi - sorry for the late notice, this mtg. slipped my mind till today. I think there are bi-weekly calls being set up among OECA, R8 and R3 on Dimock and Pavillion. Mike Boydston and I from our office are planning to join this one on Monday. Wanted to make sure you are aware of it and if you can join as well, that would be great. thanks, Kimi
